The NBSRT shall protect the personal information of its members using the following statements as its guide:

1. Personal information collected by authorized members of the NBSRT shall be used only for the purposes of maintaining a record of who belongs to the society, and/or for conducting NBSRT related activities.
2. Persons authorized to collect and/or edit a member's personal information on behalf of the NBSRT shall do so in a discreet manner, and shall protect the integrity of personal information to preserve the member's privacy.
3. NBSRT members who have access to non-public personal information of other members shall not share that information outside of the NBSRT unless with the permission of the affected member(s).
4. Personal information shall not be shared with a third party with the following exceptions:
 - (a) VESTCOR Pension Services Administration
 - (b) As part of a legal investigation by a recognized law enforcement agency.

NOTE: *This by-law is based on a "Database Privacy Policy" introduced at the 2015 Biennial Meeting in Grand Falls, NB, and reported to the Board of Directors in September, 2015.*

BY-LAW 8: NBTA/NBSRT AFFILIATION

A. Administration & Mutual Interests

1. The NBTA has designated a staff officer who serves as a liaison officer between the two organizations, and who may assist the NBSRT in administrative matters.
2. The NBSRT will work within the general framework of NBTA policy, except in matters that are the sole concern of NBSRT members.
3. The NBSRT will work with the NBTA in the interests of education, the teaching profession, the welfare of retired teachers, and other such matters as shall arise from time to time.

B. Financial and In-Kind Contributions

1. The NBTA has agreed to provide monetary assistance to the NBSRT in the amount of an annual grant in order to assist the NBSRT in carrying out its operation.
2. The NBTA assists the NBSRT by providing secretarial, copying and administrative services, together with meeting space within the limits imposed by its own needs and demands.

BY-LAW 9: BRANCH RESOLUTIONS TO THE AGM

Branches may submit resolutions to the AGM as a means of providing input about policies, by-laws, and priorities, etc., keeping in mind that there are other ways to contribute input, such as through Branch representatives on the Board of Directors.

A. Procedure

1. Branch resolutions may originate with one member, or a small group; however, resolutions submitted to the AGM for consideration shall have the support of the Branch. There are no individual resolutions, only Branch resolutions to the AGM.
2. Branch support of a resolution shall be expressed by a motion passed by the membership at a Branch AGM, or by a motion passed at a meeting of the Branch's "*board of directors*" (the Branch Executive with Branch Committee Heads, a Rep Council, or some other local equivalent to a board of directors).

B. Late Resolutions

1. Branch resolutions shall be submitted no later than March 15th prior to the AGM.
 - a. Resolutions submitted after the deadline will not be considered.
 - b. Resolutions from the floor of the AGM will not be considered.
2. Late resolutions may be considered if:
 - a. The Branch resolution was passed by the Branch AGM (**not** the Branch's "*board of directors*"), **AND**
 - b. A 2/3 majority of the NBSRT AGM delegates vote in favour of bringing the late resolution(s) forward for discussion.

Note:

- Definitions: A **Motion** is a proposal from a member, and is usually put forward verbally. A **Resolution** reflects the general opinion of the membership, and is written and recorded.
- Format and wording for resolutions should follow the examples provided in the template available on the NBSRT website.
- Editing may be required for standardization before the proposed resolutions are published for the membership to consider prior to the discussion and vote at the AGM. Edited resolutions will be sent back to the Branch before publication to confirm that the intent of the resolution has not been altered.
- It is possible that some submitted resolutions may be outside of the NBSRT's ability to handle. For example, resolutions related to pension and/or group insurance matters should consider the authorities of *Vestcor* and the NBTf Group Insurance Trustees, and that unilateral NBSRT action is not possible.

ANNEX A – Conduct of An Election

A. General Principle Guiding the NBSRT Provincial Returning Officer

As is the case with returning officers associated with Civic, Provincial, and Federal elections, it is the responsibility of the NBSRT Returning Officer and his/her designates (Branch Officials) to organize and conduct a proper election according to accepted practices.

B. Duties of The NBSRT Provincial Returning Officer

1. Meet with NBSRT Executive members no later than September 30th to review the election timeline and the process for an election to be held the following Spring; including items that are considered “reasonable expenses” that the NBSRT Returning Officer has the authority to approve.
2. Preside over a meeting with Branch Presidents to review the election process. This meeting will include information on:
 - Clarifying the role of the NBSRT Returning Officer as the election’s official voice
 - Reviewing important timeline dates
 - Explaining *online voting* if the election is to utilize this method
 - Discussing various ways to publicize and conduct the election, keeping in mind that it is the members’ responsibility to ensure they make arrangements to receive a ballot if unable to attend an official polling station or participate in an online vote.
 - Preparing *ballots*
 - Using the *tally sheet*
 - Preparing the *returning envelope*
 - Reviewing a list of acceptable election expenses
 - Answering questions from the branch membership
 - Placing an emphasis on conferring with the Returning Officer if unsure about any issue or procedure.
3. Distribute to each Branch a master copy of the Ballot, the Tally Sheet, and an accurate copy of the membership list as of March 1st for each branch.
4. Count and collate all data from online voting if that method of voting is used.
5. Receive from each branch all used ballots, tally sheets and membership lists.
6. Preside over the meeting to count ballots and determine successful candidates. The members responsible for tabulating the individual branch votes to determine a winner(s) shall consist of a) the Returning Officer, b) one member appointed by the Returning Officer, and c) members of the Executive whose names do not appear on the ballot for any office.
7. Communicate election results to all candidates immediately after the results have been verified.
8. Prepare an Election Report for the NBSRT Fall Directors Meeting.

C. Voting Methods

1. Traditional Voting – Members whose name appear on the official *Voters' List* must attend a polling station in their own branch if they wish to cast a traditional “paper ballot” vote.
- C. Online Voting – In the event members plan to be away from their own branch during the voting period, or if they are not able to physically attend a traditional polling station, they may register with the Returning Officer to use online electronic voting (if that method of voting is being used).

NOTE: When a member has applied to vote electronically online (if that method of voting is being used) his/her name will be removed from his/her branch’s voting list, and moved to the *Online Voters List*.

D. Branch Election Expenses

Branches may claim for reasonable election expenses that could include:

1. The cost of mailing the election materials back to the Returning Officer at the end of the election process.
2. The cost of duplicating the election ballots for the number of members who would be reasonably expected to appear at the polling station to vote.
3. Other reasonable costs that must have the prior approval of the NBSRT Returning Officer before being authorized as claimable expenses.
