Responsibilities

Do you have an area of expertise that you'd be interested in teaching? Continuing education courses are taught in the evening, normally from **6:00 PM to 9:00 PM**, one or two evenings a week and can range in length from 15 hours to 45 hours. Continuing education has 2 semesters, a fall term September to December, and a winter term January to April. Classes only run if enrollment is met. Although we are looking for new ideas, we are specifically looking for champions to teach **French as a Second Language**.

Qualifications

Required qualifications for this opportunity include a high school diploma, or equivalency, plus appropriate experience speaking and/or teaching/tutoring others to speak French. Please include a short description of your expertise using French. Candidates must clearly demonstrate how they meet these qualifications on their resumes.

A working knowledge of MS Office is required.

Written and spoken competence in English is required.

Preference may be given to candidates who have experience working in a post-secondary environment and to candidates who have completed at least one-year of education in a post-secondary environment.
